To All Of Our Customers:

Re: Trans Fats

As you are aware, there has been a great deal of attention focused upon the subject of Trans Fats, and on the use of Hydrogenated and Partially Hydrogenated Oils within our food supply. We have worked with our suppliers to bring in products that have 0g trans fats, and we are in compliance with your needs. All of our products have 0g trans fats. Should you have any additional questions, feel free to contact me at 914-777-9600.

Sincerely,
